SAVE-THE-DATE: Sec. Moniz to Keynote July 23 Energy Innovation Event

BPC's AMERICAN ENERGY INNOVATION COUNCIL TO HOST SYMPOSIUM, "DRIVING RESOURCES INTO ENERGY INNOVATION"

Washington, D.C. – On July 23, the Bipartisan Policy Center’s (BPC) American Energy Innovation Council (AEIC) will gather experts, business leaders, academics and policymakers to assess the state of American energy innovation and new approaches to drive more resources into it.

AEIC was founded in 2010 and is led by business leaders Norm Augustine, John Doerr, Bill Gates, Chad Holliday, Jeff Immelt and Tom Linebarger.

AEIC’s mission is to foster strong economic growth, create jobs in new industries and reestablish America’s energy technology leadership through robust public and private investment in the development of clean energy technologies.

The event is open to the public and media. To attend, register here. Additional speakers and an agenda will be released in the coming weeks here. Join the conversation on Twitter - @TheAEIC, #BPClive.
